DIANE E. ILSLEY, and ANDREW S. ATWELL

Application No. 09/628,472

ORDER RETURNING UNDOCKETED APPEAL TO EXAMINER

This application was electronically received at the Board of Patent Appeals and Interferences on August 2, 2005. A review of the application has revealed that the application is not ready for docketing as an appeal. Accordingly, the application is herewith being returned to the examiner. The matters requiring attention prior to docketing are identified below:

A review of the file indicates that on January 4, 2005, appellants filed an Appeal Brief under the rules set forth in 37 CFR § 41.37(c). However, the following sections are missing from the Appeal Brief:

- (1) "Evidence appendix," as set forth in 37 CFR § 41.37(c)(1)(ix); and
- (2) "Related proceedings appendix," as set forth in 37 CFR § 41.37(c)(1)(x).

Accordingly, the Appeal Brief filed on October 7, 2004, does not comply with the new rules under 37 CFR § 41.37(c). It is required that a supplemental Appeal Brief be submitted that is in compliance with 37 CFR § 41.37(c). For more information on the Board's new rules, please see the web page entitled "More Information on the Rules of Practice Before the BPAI," Final Rule at:

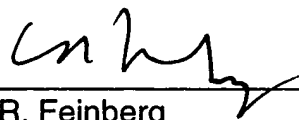

<http://www.uspto.gov/web/offices/dcom/bpai/fr2004/moreinfo.html>

Accordingly, it is

ORDERED that the application is returned to the examiner to:

- (1) hold the Appeal Brief filed on January 4, 2005 defective;
- (2) to notify appellants to file a supplemental Appeal Brief in compliance with 37 CFR § 41.37;
- (3) for the examiner to consider the supplemental Appeal Brief, vacate the Examiner's Answer mailed March 21, 2005 and issue a revised Examiner's Answer in compliance with the new rules effective September 13, 2004;
- (4) have a complete copy of the supplemental Appeal Brief and any subsequent Examiner's Answer scanned into the record; and
- (5) for such further action as may be appropriate.
